# Rotations

## Yearbook

Tables 1, 2, 3

1. Open Pixami to review the current Yearbook Spreads and Layouts
2. Make Spreads and Layouts for the remaining Yearbook spreads, either in Pixami or another editing software
3. Communicate with group members to distribute who is doing which spreads, and receive feedback
4. **Complete page spreads**

## Social Media Content

Tables 4, 5, 6

1. Choose an upcoming Chicago Academy event to advertise (in order of closest timeline to least)
2. Write your name on the board so we know which events are taken
3. Make your Instagram Ad in Canva, Pixlr, or another editing software
4. **REPEAT! We need TWO from each student!**

## CA Community Video

Tables 7, 8

1. In small groups, draft out what you are going to record. Script, storyboard, or any other proof of your plan
2. Once you get the OK from the Teaching Team, you can go record. You can use one of our cameras or your own
3. Edit your footage in Capcut on the class ipads
4. **Post to the Drive**
